Certificate

Payment Card Industry Data Security Standard

We attest

Quipu GmbH
Königsberger Straße 1
60487 Frankfurt am Main

the successful validation of the PCI Data Security Standard compliance assessment tasks listed below current at the time of the assessment:

Assessment Task	Validation	Result	Valid Until
Onsite Review	02-Jun-2016	passed	01-Jun-2017

This certificate is valid exclusively in combination with the Attestation of Compliance documents for the assessment tasks listed above at the time of validation. The company committed itself to use this certificate and the certification mark only within the validity period. This certificate does not constitute acceptance of the validation documentation or endorsement by any card scheme or the PCI SSC.
